

In a standout feature of the 2011 QCOSS Conference, Richard Fidler joins our conference dinner.

Leading a panel* discussion that is guaranteed to be light-hearted and completely lacking in “evidence-based practice” — the charming, inimitably funny and provocative Mr Fidler and friends will ponder the big question: how does Queensland become **fairer**?

Monday 8 August 2011
6.45pm for 7.00pm
South Bank River Room,
South Bank, Brisbane
(Bookings required by 3 August)

**Join Richard Fidler for dinner —
and for a 'fairly' fun time on the couch**
